

ZU725T

Ultra bright professional installation laser projector

- 7800 lumen DuraCore laser projector Ultra bright for immersive installations
- Full motorized lens shift Ideal for a simple set-up
- Large zoom range Motorized zoom expands placement opportunities
- Long life Delivers 30,000 hours of virtually maintenance-free operation

At 7800 lumens with 4K and HDR compatibility, the ZU725T features a dust-resistant IP5X certified optical engine for 24/7 operation

capabilities, offering true maintenance-free projection for up to 30,000 hours of powerful performance in Eco mode. Other features include motorized zoom and focus, full motorized lens shift and built-in dual 10W speakers.

High brightness, color precision and quiet operation, alongside a 1.6x zoom make this projector the ideal solution for a variety of end-user scenarios and professional environments, such as simulation, edge-blending and projection mapping, and immersive installations.
